## REPORT NARRATIVE

On 12-11-14 at 2139 hours, I was dispatched to SMC ER for a assault investigation. Upon arrival, I spoke with [REDACTED] [REDACTED] told me that around 2000 hours, she was with her boyfriend, (A) Tyreek Hill, at his residence at [REDACTED] [REDACTED] said she and Hill got into a verbal argument that became physical. [REDACTED] said Hill "threw" her around like a ragdoll.

[REDACTED] said during the altercation, Hill had punched her in her face, busted her lip, punched her in her stomach and choked her. While speaking to [REDACTED] I could see a mark under her left eye that turned a darker shade of red/purple during the time I was there. [REDACTED] also showed me the inside of her upper lip. I could see that it was busted, which she said was the result of Hill hitting her. I could also see the right side of her neck was red where [REDACTED] said Hill choked her. [REDACTED] complained her head hurt along with her stomach where Hill punched her. Lt. Bell arrived and took photos of [REDACTED] injuries.

[REDACTED] said she and Hill began dating around June of this year and she is 8 weeks pregnant with his child. [REDACTED] was very concerned about her pregnancy due to Hill punching her in her stomach. While speaking with [REDACTED] I noticed that when she would move, she would wince in pain.

I asked [REDACTED] if during their relationship, it has been physical before the altercation tonight. [REDACTED] said it has happened a few times but it has not been this bad, just a lot of man handling but Hill has never hit her.

I asked [REDACTED] if she would write out a statement, which she did. I asked her if she was willing to testify in court and she said she would. I explained to her that I would attempt to contact Hill. If I was able to, he would be arrested. I completed the Domestic Abuse Lethality Assessment and provided [REDACTED] with a Wings of Hope domestic violence card.

At 2308 hours, Officer Moore, Officer Blakey, Officer McSpadden and I went to Hill's residence, [REDACTED]. I contacted Hill and at 2313 hours, I placed him under arrest for domestic abuse by strangulation without incident. Hill did say that he was being arrested for being black and she was white.

I transported Hill to SPD Jail.

See Lt. Bell's supplement for further information.

**REPORT NARRATIVE**

On Thursday, December 11<sup>th</sup> 2014 approximately 2200 hours, I responded to the emergency room at the hospital reference Reedy #41 requesting assistance. When I arrived I was briefed by Reedy on the domestic. He informed me [REDACTED] had injuries from a physical domestic with Tyreek. He stated the injuries were consistent with her account.

I introduced myself and took photos of the bruises and abrasions to [REDACTED] left eye, left cheek just under the eye, neck, inside the upper left lip and lower right cheek. [REDACTED] stated to me that this had happened before back in the summer but she did not report it at the time. She explained Tyreek has a volatile temper and that he thought it was okay to punch and shake her. She told me he had been very violent with her. She then told me she was pregnant with his child.

I took seven photos, placed them on a CD and placed it into property. A folder under this case number, containing a copy of the photos, was placed on U:drive in the CID Investigations folder.
