Passengers are advised to contact our reservation offices for rebooking on the next available service. Customers are also being kept informed via phone, through Caribbean Notifications and the Caribbean Airlines mobile app.

Caribbean Airlines continues to closely monitor the weather conditions and will update its valued customers on any further changes.

To minimise inconvenience to customers holding **confirmed tickets for travel on September 22 2019**, Caribbean Airlines is allowing persons whose travel plans are impacted by the tropical storm to rebook without change fees, subject to the following conditions:

1. Waiver of all fees for tickets rebooked in the same cabin, for travel up to **October 01, 2019**.
2. It is mandatory that customers contact Caribbean Airlines **BEFORE** the scheduled date of travel.
3. Ability to use ticket for one year from date of issue, for tickets booked for travel on September 22, 2019. **No date change penalty will apply. However, ad-col fees may apply.**
4. ALL changes **MUST** be made through Caribbean Airlines Call Centres or at Caribbean Airlines Ticket Offices
5. Caribbean Airlines **WILL NOT** be responsible for arrangements or transportation to/from an alternate airport or hotel/overnight expenses incurred by affected passengers.

These waivers include travel to OR from the following Airports **ONLY**:

- Piarco International Airport, Trinidad
- ANR Robinson International Airport, Tobago

Customers are advised to visit www.caribbean-airlines.com and check their **FLIGHT STATUS** before going to the airport or call the Caribbean Airlines Call Centres for further details:

About Caribbean Airlines

Caribbean Airlines was established on September 27, 2006 and commenced operations on January 01, 2007. It is an authentic Caribbean airline which provides passenger and cargo services. The airline's professional teams offer a genuine Caribbean experience on all its services and actively demonstrate the warmth of the islands both on and off the aircraft. Caribbean Airlines operates more than 600 weekly flights to 21 destinations in the Caribbean and North and South America. The airline's fleet is comprised of Boeing 737-800 and ATR72-600 aircraft. Jointly owned by the people of Trinidad & Tobago and Jamaica, headquartered in Trinidad and Tobago, and with an operational base in Jamaica, Caribbean Airlines employs more than 1600 people.

The airline is a member of the International Air Transport Association (IATA) and is recognized as an IATA Operational Safety Audit qualified airline. It is a certified FAA repair station as per regulation 145.
