Hello Denise,

I issued a ticket in the Bus Zone area at 1117 Elm street which was parked near the sitting area(enclosure) with the bus stop sign above it. After issuing the ticket

I had placed it on the windshield of the vehicle and began to take pictures. The owner of the vehicle came out of the Pint Bar and began to yell and swear at me stating (Are you Fucking kidding me !! Do you know who I am ? I am Alderman [REDACTED] and what is your name? I told him [REDACTED]. [REDACTED] continued to keep demanding my name. which I repeatedly responded "Sir, my badge number is [REDACTED]". [REDACTED] said "I'm to put you out there on Facebook". [REDACTED] continued to swear at [REDACTED] and took out his cell phone and started to take photo's of [REDACTED]

And he still while yelling at me asked for my name which I said again [REDACTED]. I then tried to explain to him he was parked in a Bus Zone. He said didn't

You see the sign on the my dash board saying who I was and I responded No. ) note there was a Bus right behind his vehicle trying to load on

Customers. He continued swearing at me and the took his camera out and stated he was going to take my picture and he was going to post on Facebook! I had my mask on and I turned around and walked away.

Thank you,
