CASE # 20-000004

HILLSBOROUGH, SS THE STATE OF N. H. 9th CIRCUIT - MANCHESTER DISTRICT COURT

I, Stephen Flynn being duly sworn, depose and say:
(name of applicant)1. I am Detective . I herewith make application for
(describe position)
the issuance of an Arrest Warrant against the defendant:Trevor Dyer
(name)3/7/96
(date of birth)6 Poplar Dr. Raymond, NH 03077
(address)

2. I have information that a crime(or offense) has been committed by the defendant as follows:

SECOND DEGREE ASSAULT RSA 631:2

The information set forth in this affidavit is based on my observations and personal knowledge. This affidavit does not contain every fact known to me or other investigators. Rather, it contains material information relevant to determining whether there is sufficient probable cause to believe that Trevor Dyer (DOB: 3/7/1996) has committed the offense of Second Degree Assault, in violation of NH RSA 631:2.

On 1/1/20 at approx. 0103 hours, Officer Donovan observed several bouncers from McGarvey's Bar located at 1097 Elm St. wrestling with a male subject on the ground. Officer Donovan placed the subject that was wrestling with bouncers under arrest. Officer Donovan observed that there was another subject, Raymond Doyan 12/22/63, that had a head injury.

Officer Donovan spoke with Dustin Bourque 2/9/87, who stated that he was attempting to remove Doyan from the bar when Doyan began to fight with him. Bourque stated that other bouncers assisted in getting Doyan off Bourque while they were still on the sidewalk.

Officer Donovan then spoke with Doyan, who denied fighting with the bouncers at all and stated that the issue was the bouncer.

On 1/2/20 upon my arrival at work I viewed a video that was circulating on social media that showed an incident outside of McGarvey's bar. This video showed the subject later identified as Doyan being held down by bouncers when he is stomped in the head multiple times by a bouncer. It also shows the same bouncer previously attempting to place Doyan in an arm bar. Bouncers are also seen striking Doyan with punches during this incident. Doyan was shown to be bleeding from his head as a pool of blood was located beneath him. The bouncers then leave him as

3. Based upon the foregoing information (and upon my personal knowledge) there is probable cause to believe the defendant did commit a crime (of offense) as above stated. Wherefore, I request the court issue an arrest warrant and order a duly authorized officer to take the defendant and bring him before the court having jurisdiction.

2. I have information that a crime(or offense) has been committed by the defendant as follows:

another fight breaks out. In the second fight, a bouncer is seen pushing someone away after Doyan was stomped. The bouncer then punches this individual later identified as Brandon Pichette 10/6/88 before Pichette attempts to slap the bouncer. Pichette is then taken to the ground just before police arrive.

On 1/2/20 at approx. 1334 hours, Detective Brandreth interviewed Doyan. Doyan stated that he had gone to McGarvey's on New Year's Eve and he had arrived at approx. 2300 hours. Doyan stated that a bouncer approached him and told him that he was closing his eyes and he needed to leave. Doyan stated that the bouncer began to escort him out and a second bouncer was on the other side. Doyan stated that they then threw him to the ground while still in the bar. He stated that he felt his head being pushed forward toward his neck and felt like he was not able to breathe. Doyan then stated that he was picked up and carried outside. Doyan stated that he remembered seeing police cruisers outside and also remembered a female holding something on his head because he was bleeding. Doyan stated that he thought he was kicked in the head, but he did not remember. He also thought somebody may have pulled on his arm and that he thought he had a broken bone in his elbow. Doyan refused to go to the hospital for any of his injuries. Doyan was observed to have a large laceration on the top of his head, bruising inside his left elbow, and a black eye.

On 1/2/20 at approx. 1600 hours, I spoke with Robert Scribner 1/25/82 who is the owner of McGarvey's. Scribner stated that he had seen part of the social media video and that it made him sick to his stomach to watch and that he could not even watch the entire event. Scribner stated that he had spoken to the involved employees, who described the event to him. He was told that Timothy Wilcott 9/8/88 had made initial contact with a subject, later identified as Doyan, that appeared to be going to sleep near the "juke box." Scribner stated that Wilcott told Doyan to leave. He also stated that Dustin Bourque 2/9/87 was with Wilcott at this time. Scribner was then told that Doyan sucker punched Bourque and began to fight. Scribner also stated that Doyan put Bourque in a choke hold and Bourque had to be helped. He stated that they were then able to get Doyan outside where the fight continued. Scribner was asked

2. I have information that a crime(or offense) has been committed by the defendant as follows:

who was responsible for kicking Doyan in the head and he identified that person as Trevor Dyer 3/7/96. Scribner also provided the MPD with video surveillance from within the bar on the night of the incident.

The video from McGarvey's was viewed and showed a bouncer approach Doyan and begin to escort him out of the bar before a second bouncer intervenes. This second bouncer then pushes Doyan from behind as Doyan is walking out of the bar. Doyan then appears to stop before being bumped by the second bouncer. On another camera angle, after the push and bump, the second bouncer is seen pulling Doyan to the ground with his arm around Doyan's neck. The group then gets pulled outside and out of camera view.

On 1/2/20 at approx. 2021 hours, I conducted an interview with Timothy Wilcott 9/8/88. Wilcott had a similar account to what was provided by Scribner. He stated that he had seen Doyan closing his eyes and had asked him to leave. While walking out, he stated that Bourque pushed Doyan from behind and when Doyan "squared up" to Bourque, Bourque took Doyan to the ground. He stated that at some point, Doyan was able to get Bourque in a head lock and multiple bouncers attempted to get Bourque out of the head lock. Wilcott stated that the fight went outside to the sidewalk where Trevor Dyer 3/7/96 kicked Doyan in the head. Wilcott stated that after this kick a bystander, who Wilcott identified as being deaf confronted Dyer about kicking Doyan in the head. Wilcott stated that it was at this time that Bourque approached the bystander. Wilcott stated that he saw the bystander attempt to strike Bourque and Bourque took the bystander to the ground before police arrived. Wilcott was shown still images from two videos and he identified Bourque as the person who pushed Doyan while inside the bar and also Bourque as the person who was seen punching the bystander, Brandon Pichette while out on the sidewalk. Wilcott was asked about events that occurred that were not part of normal policy or practice. Wilcott identified the push on Doyan from Bourque within the bar as not common practice and the kick to Doyan's head by Dyer as not acceptable.

3. Based upon the foregoing information (and upon my personal knowledge) there is probable cause to believe the defendant did commit a crime (of offense) as above stated. Wherefore, I request the court issue an arrest warrant and order a duly authorized officer to take the defendant and bring him before the court having jurisdiction.
