# Transfer Partnership

*Millikin University and Richland Community College  
have developed a new transfer partnership.*

The partnership between Millikin University and Richland Community College will provide students with a seamless transfer process. Richland students who wish to earn a Millikin degree will be provided with a plan of study, as well as automatic acceptance into a Millikin baccalaureate degree program upon successful completion of an Associate in Arts (AA), Associate in Science (AS), Associate in Fine Arts (AFA) or Associate in Engineering Science (AES) with a 2.0 cumulative GPA.

Tuition Promise

# BIG BLUE Pledge

Illinois Free Tuition Program

*We are committed to making a Millikin education accessible – and affordable – by removing barriers in the pursuit of education.*

## Millikin Tuition Promise

The Millikin Tuition Promise reduces our annual tuition rate by **36%** to **\$26,000** for full-time undergraduate students. Unlike most universities, Millikin is guaranteeing your annual tuition rate for each year you're a student at the Big Blue. Plus, all admitted students receive additional scholarships and personalized financial aid packages. A transfer-specific scholarship is also available.

## Big Blue Pledge: Illinois Free Tuition Program

The Big Blue Pledge represents an investment in Illinois students who may lack the financial options necessary to pursue a college education by covering 100% of their undergraduate tuition.

For more information on both programs, including eligibility requirements, visit [millikin.edu/tuitionpromise](http://millikin.edu/tuitionpromise).
