

HSHS Medical Group

March 7, 2023

Dear Valued Patient,

We regret to inform you that as of July 1, 2023, HSHS Medical Group will no longer provide *obstetrics and gynecology* services, and Benefi Center for Women will close.

In order to ensure that you continue to have an OBGYN provider, it is important that you contact either your primary care physician for a referral to another provider or your insurance provider for a list of other providers that are covered under your insurance benefit in your area.

To obtain a copy of your medical records, visit [HSHSMedicalGroup.org/medicalrecords](https://www.hshsmedicalgroup.org/medicalrecords) for a medical records release form or request your medical records through MyChart.

If you have any questions, please call the practice at 217-872-2400.

Sincerely,

Tammy Lett, RN MBHA
Chief Operating Officer
