**WHAT HAPPENED? Please be specific. State what was said, what actions took place and others involved in the incident. This includes what your part was in the incident.**

[REDACTED] reports on Monday (10/3/22) during Pictures in the morning. She was standing in the main commons and observed Mr. Wagner standing at the Classroom entrance (B163) across from her looking her direction. [REDACTED] states that she moved around the corner out of his sight then shortly after Mr. Wagner walked over to the auditorium entrance and looked her way again. She states that his actions felt intentional and made her feel very uncomfortable. [REDACTED] said when she came out from getting her picture taken Mr. Wagner was gone.

[REDACTED] reports on Wednesday (10/5/22) she was in the gym walking laps when she saw Mr. Wagner walking right towards her. (Time roughly 1:33pm) She states that they crossed paths in front of the concession stand area and he, in her mind, never changed path as they approached each other but walked in her direction until they passed each other. At which point, [REDACTED] states that Mr. Wagner began talking to Mr. Olsen and remembers hearing Mr. Wagner ask Mr. Olsen a "random" question which made it feel to [REDACTED] like he was intentionally done there because she was in the gym at PE. She reports feeling very
