Historic Structure Address 200 S. Elm St Waxahachie, Tx 75165

Is this structure for residential or non-residential use? (circle one)

Has this structure been designated as a Historic Resource?

Yes _____ No By whom _____

(If it has not been designated, the property owner must request designation as a historic resource from the Heritage Preservation Commission prior to applying for a Certificate of Appropriateness.)

Is this structure in the Historic Overlay District? Yes No _____

The Commission is appointed to assist you, but it also has the responsibility of protecting significant historic properties from inappropriate changes. **The Heritage Preservation Commission will not approve your project unless the Commission is shown to its satisfaction that the project is consistent with the historical character of the property.** Answer the following statements carefully and provide as much information as possible so the Commission can make an informed decision.

1. Description of Project: Relocated UFO from roof to storefront to help bring more people to the downtown area. It is an Art piece that is mounted by french cleat mounts. The UFO itself is made of lightweight materials, so the integrity of the building.

2. Reason(s) you feel the proposed exterior work is consistent with the historical character of the property (use additional space on the back of this form or by attaching additional sheets if necessary).

Downtown Waxahachie has been a tourist hot spot since the 1920's. With the Texas theatre reopening, we feel that upgrading our storefront would be beneficial to bringing back Waxahachie's legacy as a tourist hot spot! Our UFO was a main staple of the stage at a 2004 George Clinton concert in Dallas, Texas. Therefore has historical significance to the area.
