

Buffalo Creek Assisted Living and Memory Care

Buffalo Creek, a premier assisted living and memory care community in Waxahachie, is among the 2022 Star Award winners as recognized by the Waxahachie Sun. Serving all of Ellis County, we'd be proud to have you or your family member call Buffalo Creek home. Whether someone needs a helping hand with daily activities or is living with the effects of dementia or Alzheimer's disease, our dedicated staff take great pride in delivering high-quality care that is compassionate, safe, and resident-centered. Our services meet residents' physical, emotional and spiritual needs 24 hours a day, seven days a week. Before a resident moves into the community, customized assessments are completed

so individual care plans can be created. These care plans are updated frequently and as needed. In addition to the medical director, our team consists of highly trained nursing staff known for their warm personalities and compassionate care. Built in 2008, our community surpasses the standard. Buffalo Creek offers fine living and dining accommodations, beautiful courtyards, and expertly maintained flower gardens. Flat walking paths meander through the courtyard where comfortable seating is alongside the pathways. Well-designed bedrooms are spacious and include a separate living room. Upscale finishes give every space a modern and warm feeling. All bathrooms are ADA-compliant.

Our community has a unique blend of hospitality services and community engagement, and with a strong focus on growing meaningful relationships. Our hospitality services include housekeeping, scheduled transportation, and programs on-site and off. With necessities managed, residents can visit the library or ice cream parlor or join a popular group. The common areas are at the heart of our community as they encourage friendship and togetherness. Eating nourishing meals and gathering around the table are something we've done for as long as we can remember and it's just as important now. Mealtime provides residents with opportunities to strengthen ties and create a sense of belonging.
