Five Captured After Theft, Vehicle Pursuit, Foot Pursuit and Drone Search

Channahon, IL - At approximately 11:09 am Channahon Police received two phone calls from witnesses reporting six to seven subjects removing large boxes from the Amazon facility located at 23714 Amoco Road, near the intersection with South Bradley Street.

As responding officers approached the facility, a U-Haul van and silver SUV were observed leaving the area at a high rate of speed. Officers followed both vehicles onto northbound I-55, where another officer successfully deployed tire deflation devices on the U-Haul van, flattening its drivers-side tires just north of US Route 6.

Officers continued to follow the U-Haul until it became inoperable. Two suspects in the van were taken into custody on I-80 near Briggs Street. The silver SUV continued fleeing from police.
