Dear duPont Manual Football Families,

I am writing to everyone today to ensure communication and transparency to our families and players regarding a change to our football program. At this time, Coach Donnie Stoner has been temporarily removed from coaching responsibilities per Jefferson County Public School's policies and practices.

In order to ensure continuity in the football program, I am appointing Coach Josh Gillispie (known as Coach G to the players) as acting Head Coach until further notice. Coach Gillispie has coached with the duPont Manual football program since 2019 and is prepared to continue implementing our current program and expectations our students know and respect. Additionally, Dr. Newman and I have met with players and coaches at the beginning of practice to provide them an update with the temporary change of Acting Head Coach. You can also expect an introductory email from Coach Gillispie later this evening after practice.

Respectfully,

David Zuberer,
duPont Manual High School
Athletic Director

Michael Newman, Ed.D.
