Re: Correction of Your Kentucky Voter Registration

Dear [REDACTED],

Per K.R.S. 116.035(1) "a voter's residence shall be deemed to be at the place where his or her habitation is."

The Kentucky State Board of Elections has recently been able to implement new Geographic Information System (GIS) mapping technology to much more accurately determine where a voter's place of habitation is physically located in the state.

As a result, it has been shown that your place of habitation is not physically in the county where you were previously registered to vote.

Your voter registration has been updated to reflect this, and you will be receiving a postcard confirming the correction, if you have not already.

If you have questions, please contact your county clerk's office at 502-574-6100.

Thank you for your assistance.
