

January 30, 2020

On Monday, January 27, 2020 at approximately 8:45a.m. Tracy Poe, the Principal of Trimble County Sr. High School called to inform me that she had just received information alleging that Alexandra Lawhorn had engaged in an inappropriate relationship with a student. I immediately contacted Kentucky State Police Post 5 and went to the school to remove Ms. Lawhorn from the premises. Detectives remained on site to conduct the investigation that day.

On the morning of Tuesday, January 28, 2020, Ms. Lawhorn tendered her resignation to Trimble County Schools.

Kentucky State Police are still actively investigating this matter to determine if more crimes have occurred. At this time, we are unable to give further details, in order to protect the confidentiality of the student involved and not to interfere with the on-going investigation by KSP.

Our primary concern is always for the safety and well-being of our students and the members of our school community. The Trimble County School District maintains high standards for all our employees and these allegations stand in stark contrast to our expectations.
