

VIRTUAL OPEN HOUSE DATES

Due to social distancing guidelines, Jefferson County Public Schools (JCPS) will not be hosting its regular Showcase of Schools or in-person open houses at schools. Instead, all elementary, middle, and high schools will help families explore their school choice options by hosting virtual open houses that offer both a video introduction to the school and a live question and answer session. The virtual open houses, which comprise the video and live session, will take place on each school’s Facebook page according to the following schedule. Be sure to “Like” the school’s Facebook page so that you don’t miss it and can go back and watch again as needed!

All of the following dates are in 2020.
