

A MESSAGE FROM SUPERINTENDENT CLARK

Friday, February 3, 2023

BCS Families,

In an effort to maintain transparency with our parents and the entire school community I want you to know that on Monday, January 30 we received a report of alleged inappropriate conduct from a Bardstown High School staff member. Bardstown City Schools immediately placed the staff member on administrative leave and alerted the authorities. The staff member will remain on administrative leave through the duration of the investigation. We are unable to comment any further due to this being a personnel matter and an active investigation. As a school district we are committed to the safety and education of our students and any report is taken seriously and thoroughly investigated.

Dr. Ryan P. Clark

Superintendent

Bardstown City Schools
