

Unified Property Tax Levy

PROPOSITION NO. 1
PORT OF CHELAN COUNTY AND PORT OF DOUGLAS COUNTY
UNIFIED TAX LEVY

The Ports of Chelan and Douglas County propose to unify the tax levy rate into a single tax levy encompassing both districts. The levy rate for tax year 2023 in the Port of Chelan County is \$0.175 cents/1,000 of assessed value. The levy rate for tax year 2023 in the Port of Douglas County is \$0.137cents/1,000 of assessed value. Using the 2023 tax year levy rates, a unified tax levy would be approximately \$0.164 cents/1,000 of assessed value for both port districts. Should this proposition be:
