

KRISTI STOCKGLAUSNER

Owner

At **The Flower Stop** in Cottleville, there's history in more than just its charming building. There's the legacy of owner Kristi Stockglausner, who has been creating gorgeous floral arrangements there for decades. There's the tradition of friends planning trips to The Flower Stop to see what's new each season. There's the legacy of gifts, well chosen and thoughtfully given – and the most beautiful flowers for every occasion from weddings to baby showers to anniversaries and more.

"My team is amazing! We've been together a long time and have the experience to create floral arrangements and help find gifts that are sure to be remembered," Kristi said. "Right now, we're all about spring, so the store is filled with really great items for Easter and Mother's Day. It's a good time to plan a Cottleville shopping trip!"
