duenkecabinet.com

Locally owned and operated since 1953, Duenke Cabinet Co. has designed, remodeled and installed beautiful residential and commercial kitchens, bathrooms and wine cellars. As a dealer and manufacturer for several lines of custom and stock wood cabinets, they can coordinate the job by offering complete installation with their own personnel, including plumbing, electric, lighting, flooring and appliances. They have their own cabinet shop where they manufacture their own Covenant Cabinetry. A complete staff of design specialists will assist you with your project from start to finish. Give them a call today or visit their showroom.
