## Where St. Louis seniors explore the world when they live at home

From simple day trips to international adventures, we love to explore! Friendship Village communities have recently enjoyed excursions to top destinations around the world, including Canada's mountaintops, rail excursions to see New England's fall color, and even trips to see Iceland's glaciers and the Northern Lights. Their social calendars are filled with frequent local outings, including trips to Missouri wineries, Cardinals games and favorite St. Louis restaurants.

Join one of Friendship Village's memberships and you, too, can go on adventures with Friendship Village before moving to one of the campuses!
