

Brenda Bader Tucker

Metro Regional Manager, SVP

At **Peoples National Bank**, people are more than just customers; they're friends and neighbors. That's why their dedicated associates are so involved on a local level.

Brenda Bader Tucker, Senior Vice President and Metro Regional Manager, is a West County native with 44 years in the banking industry and has an extensive client portfolio. Brenda is actively involved in the local community through numerous civic organizations. "Our associates are encouraged to be actively involved in our communities to enrich the quality of life for community members in the St. Louis market," Brenda said.

She especially enjoys working with clients to help improve their financial situations by providing banking solutions that are completely tailored to each individual's unique needs.

"All banks have the same products and services. What makes us different is our associates and level of client service," Brenda said.

With assets over \$1.7 billion, Peoples National Bank serves 18 communities throughout Southern Illinois and Missouri. For more information about Peoples National Bank, visit peoplesnationalbank.com.
