Life According to You

With a history stretching back more than 165 years and a passion to meet the changing consumer preferences of the future, **EverTrue** recently rebranded from Lutheran Senior Services. The rebrand embodies EverTrue's focus on the uniqueness of each individual, but its mission remains unchanged: Older Adults Living Life to the Fullest.

Headquartered in St. Louis, the faith-based organization is the 11th largest nonprofit senior living services provider in the U.S. EverTrue offers Life Plan Communities and Affordable Housing Communities, as well as in-home support through EverTrue Anywhere Care.

Nestled in Weldon Spring, EverTrue Breeze Park is a vibrant EverTrue Life Plan Community featuring such world-class amenities as diverse dining experiences, an on-site movie theater and swimming pool, plus the security of having priority access to trusted healthcare should one's needs change.

As a result of overwhelmingly positive feedback from residents and family, EverTrue Breeze Park was recognized in 2025 by U.S. News & World Report for the third consecutive year as a "Best" in Independent Living, Assisted Living and Memory Support.

StillYou®, EverTrue's personalized approach to dementia care, is at the heart of EverTrue Breeze Park's Memory Support. Developed by EverTrue's team using best practices and real-world experience, StillYou affirms that people with memory loss are deserving of connection, purpose and dignity. Innovations, such as specialized technology and music therapy, enable residents receiving Memory Support services to live with meaning and fulfillment.

Take Evelyn, for instance. A retired teacher and lifelong piano lover, she moved to Memory Support last year. Her days are now filled with joy, especially during music therapy.

Chuck Evans, Music Therapist at EverTrue Breeze Park

"Music reaches people in ways that words sometimes can't," said Chuck Evans, EverTrue Breeze Park's music therapist. "Programs like Drums Alive are fun and active, but there's real therapy hidden in that fun. We do everything from movement classes to songwriting, and I also offer one-on-one sessions for deeper connections."

For Evelyn, it's more than just fun – it's a lifeline. She lights up when she hears her favorite melodies. That's the power of StillYou: Meeting people where they are and helping them stay EverTrue to who they've always been.
