When considering an exterior home project, it pays to hire a company with decades of experience. **Penick Construction Co.** has been helping homeowners maintain their homes for over 32 years. The company specializes in exterior remodeling, using only the best products in the industry. Product lines include Energy Star-rated windows, doors, insulated siding, soffits, fascia, gutters, gutter covers and roofs. The Vinyl Siding Institute has certified Penick as an insulated siding installer, and CertainTeed Landmark Shingles has certified it as a Shingle Master. The company also sells ProVia steel entry and fiberglass doors. A 10-year warranty is offered on all of its expert installations. Plus, estimates are free and homeowners are never under pressure to sign a contract. Learn more by calling (636) 938-6330.
