Life's transformative journey finds its best chapters at **Gambrill Gardens**," asserts Missy Fevold, Gambrill Gardens Community director. "Embrace carefree living in our vibrant community, where joy overcomes change's hesitations."

For 50-plus years, Gambrill Gardens has embraced seniors in a serene 25-acre haven, now refreshed by a \$7 million renovation, offering airy spaces, cozy fireplaces and a variety of social spots.

At Gambrill Gardens, days are filled with youthful activities – from Friday happy hours to live music and engaging classes. The gym's sessions foster vitality, and the chefs create wholesome meals with fresh produce. For personal care, Gambrill Gardens says the partnership with Fox Therapy ensures a residents' independence and wellness.

"Reclaim time and enjoy life to the fullest," says Fevold. Come discover the allure of Gambrill Gardens, where senior living thrives with laughter, cherished moments and rediscovered passions.

"Join us today to embrace what you love!" Fevold invites.
