

AFFORDABLE CARPENTRY | Joe Overman, founder

636.699.8316

Masterful carpentry and fine craftsmanship stand the test of time. So when looking for a skilled craftsman to take on any woodworking or carpentry need, look no further than Joe Overman, founder of ***Affordable Carpentry***. With 25 years of experience, Joe provides expert installation of trim, framing, crown molding, chair rail, wainscoting and more. He takes pride in providing his customers with trust-worthy professionalism and integrity on the job and behind-the-scenes. In addition to custom projects, he can install kitchen cabinets and other structures. Additionally, he has built decks for multiple clients, a task which not only requires expert craftsmanship but also a knowledge of structural integrity and safety. His services are available from 7 a.m.-7 p.m. daily, so don't hesitate to call about your next project and schedule a free estimate.
