Make new friends and learn new skills! J Day Camps give campers options on their activities: sports, arts and crafts, gymnastics, nature, drama and more. Plus, there is on-site-swimming! Nearly 80% of campers improve their swim skills. There are two convenient locations in St. Louis County and 11 weeks of camps and programs for kids 3 years old through eighth grade. Eighty-four percent of campers rated our staff as excellent or very good. A lunch option is available, as are pre- and post-care. Early Bird registration is through February 28. Camps run June 5-August 18. J Day Camps are A.C.A. accredited. See jccstl.com/daycamps for more.
