

# Fielder Electrical Services

Matt Fielder, owner

For those in need of electrical assistance in St. Louis and St. Charles counties, *Fielder Electrical Services* is a full-service electrical contractor that can assist with a wide array of upgrades. Their services not only include the replacement of outdated fuse boxes and fixture installation, but even span to large scale projects like room additions and total home remodeling jobs. Their experienced and professional staff can even tackle the rewiring of both old and new homes. Fielder Electrical Services also keeps up to date with the latest trends, such as the installation of can lighting and LEDs. Your one-stop for all your electrical needs!
