

Laurie C. Burke, D.C.

242 Clarkson Road • Ellisville • (636) 227-8191 • www.drburkedc.com

Dr. Laurie C. Burke established her chiropractic practice in Ellisville in 1982 after graduating from Niagara University and Logan College of Chiropractic. She has been providing exceptional chiropractic services to the community for 41 years and was truly honored to give the Commencement Address to the Logan University graduating class of December 2020.

Dr. Burke believes each patient is unique and deserves an individual treatment approach. With her years of clinical experience, there are not too many conditions she hasn't already treated. Dr. Burke is a chiropractic physician and certified acupuncturist, and continues to attend postgraduate training in chiropractic health care, advanced acupuncture, pediatrics, scoliosis management, nutrition, exercise and rehabilitation protocols and laboratory analysis.

Her practice methods include gentle spinal adjustments using a wide variety of adjusting techniques, acupuncture, BEMER/ PEMF therapy (pulsed electromagnetic frequencies), ultrasound muscle stimulation, intersegmental spinal traction, infrared therapy, nutrition and rehabilitation.

Dr. Burke treats personal injury cases and performs school and work physical examinations. Patients of all ages are welcome and a wide variety of insurance plans are accepted. Cash plans are available for the uninsured. With office hours beginning at 5:45 a.m. Monday through Saturday, Dr. Burke makes finding chiropractic care a pain-free process.
