Deer Creek Footcare has provided quality service to its patients for over 20 years. Dr. Warren R. Trampe, DPM, can help patients with a variety of foot ailments, including ingrown nails, heel pain, fractures, sprains, deep root calluses and sports injuries.

"Our goal is to ensure that all of our patients receive the highest level of quality care and treatment," Dr. Trampe said.

Dr. Trampe also can help patients with bunions, warts and hammertoes, as well as spurs and neuromas. In addition, he cares for diabetics and can provide outpatient surgery if necessary. "However, I always will try and do non-invasive procedures prior to recommending surgery," Trampe said.

Patients at Deer Creek Footcare can expect friendly and knowledgeable service directly from the doctor. Dr. Trampe always sees patients himself. Patients can feel confident that they will be able to speak with the doctor.

Dr. Trampe prides himself on providing expert quality care for all of his patients.
