

## ***Older adults living life to the fullest***

For decades, Cape Albeon Lakeside Retirement Living in Valley Park has been providing older adults with a welcoming community, social connection, and lakeside living rooted in purpose. Today, that legacy embraces its next chapter as **EverTrue Cape Albeon**.

As a nonprofit Life Plan Community serving older adults 55+, EverTrue Cape Albeon remains committed to exceptional care, heartfelt

support, and living environments designed to help residents thrive in a serene setting, with compassionate staff, and a faith-based mission that has guided the community from the beginning.

From Independent Living Apartment or Cottage Homes, to Assisted Living, Memory Support, and ShortTerm Care, EverTrue Cape Albeon blends comfort, security, and personal choice into every aspect of daily life.

Here, "Life According to You" is more than a tagline. It's the freedom to shape your days, connect deeply, and remain part of a community that truly sees and supports you.

Whether you're planning the next chapter for yourself or someone you love, EverTrue Cape Albeon invites you to picture living life to the fullest, with experiences tailored to enrich your life through culinary delights, creative pursuits, wellness achievements, community exploration and more.
