

Modern designs for kitchens and baths

Are you dreaming of a new kitchen or bath? Do you want to update your home's look and take advantage of modern conveniences? Look no further than **Modern Kitchens & Baths**.

The company's expansive West County showroom features over 35 displays for inspiration and an always friendly staff who are ready to assist with free planning, design and estimate.

The family-owned business, now in its 75th year and fourth generation with co-owners Mike and Dave DuPree, offers both skilled staff and critical resources, such as design and drafting services, cabinet and appliance acquisition and installation, and flooring at prices to fit all budgets.

In addition to high-quality cabinetry, Modern Kitchens & Baths offers an impressive selection of granite and quartz countertops, including Cambria, Silestone and Caesarstone. Customers can also browse appliances and smart fixtures in the Manchester showroom.

When it comes to baths, it's important that they are as safe and functional as they are beautiful. Modern Kitchen & Baths can convert tubs to showers, install shower seats and add hand-held showers and grab bars to help homeowners gracefully age in place.

No matter how complicated or simple a job may be, customers always receive complete, computer-drawn renderings before any job is begun, estimates are free and accurate, and changes are always at the customer's request or with their approval. There's no guesswork.

When you're ready to remodel and you want to get it right, choose Modern Kitchens & Baths and get the experience, dedicated customer service and the resources needed to make your kitchen and bathroom dreams come true.
