**REBECCA

In addition to her buying and selling expertise, she is experienced in investment real estate, rehabbing houses and relocation. **KRIS
KIMERLE,
REALTOR®**

Kris has been selling real estate for 22 years and passionately cares for her clients, whether they are moving locally or relocating in or out of St. Louis. She works tirelessly to ensure that the stress of buying and/or selling is not felt by her clients and often jokes that the way she does real estate is very different than what people see on HGTV.

While a lot of time is spent showing houses, countless hours are also poured into tough negotiations, problem solving, putting out fires and getting down and dirty to help her clients with whatever their needs might be. This is what Kris thrives on and is why most of her business comes through referrals from past clients and friends.
