

Affordable Carpentry

Joe Overman, founder

Need an accomplished craftsman to take on any carpentry need? Look no further than Joe Overman, founder of *Affordable Carpentry*.

With over 20 years of experience, Joe provides a wide array of carpentry projects, including the installation of trim, framing, crown molding, chair rail, wainscoting and more. Joe can do projects of all sizes from doors and stairs to finishing basements - all with a low overhead cost and integrity on the job and behind the scenes. "I care about my customers and their needs," Joe explained. That's why he treats every project as if it's for his own home, employing the highest quality and standards to complete each job. Services are available from 7 a.m. to 7 p.m. daily. Don't hesitate to call Joe today!
