United Access Wheelchair Accessible Vehicles and Equipment provides your special needs loved one an elevated quality of life. Our late model, easy to drive and operate wheelchair accessible mini vans can be rented by the day, week or longer and give freedom from confinement to your loved one allowing them to enjoy outings with the family, Bobby's softball game, Susie's dance recital, a shopping trip with friends, a picnic in the park, doctor's appointments and even vacations. Include your loved one in all family activities. The possibilities are endless and limited only by your imagination.

Let United Access become the wheels of your special needs family member. We are here when you need us in two St. Louis locations. Join our growing family of satisfied customers and experience a United Access wheelchair accessible van. Call Misty, our Mobility Specialist at 314-989-1010 for reservations and additional information. Reserve your wheelchair accessible van today.

We also sell and service new and used wheelchair accessible vans. Make United Access your one source for your wheelchair accessible needs.
