

Dr. Genevieve Otto, Orthodontist

Otto Orthodontics

Des Peres • Fenton • St. Peters • Wentzville
314-900-OTTO (6886) • www.ottoortho.com

The goal for the professionals at **Otto Orthodontics** is to treat patients the way they would like to be treated – with respect, professionalism and sensitivity. Take Dr. Genevieve Otto who runs the orthodontic office with her husband A.J. Orthodontics is her passion, and she calls it a blessing to be able to help others.

"I love that I can be a positive influence on so many adolescents during a very influential time in their lives," she said. "Orthodontics helps increase self-confidence and provides a smile that everyone is proud to show off."

A board certified member of the American Association of Orthodontists and the Greater St. Louis Dental Society, Dr. Otto was top of her class at the University of Southern California. Along with Dr. Otto, Otto Orthodontic's top-of-the-line team includes orthodontists: Dr. Kirsten Karkow, Dr. Katelyn Roland and Dr. Andrew Larkin.

Otto Orthodontics provides braces, Invisalign, surgical orthodontics, Zoom whitening, Botox and injectable lip fillers. Voted St. Louis' Top Orthodontist in *St. Louis Magazine* and *St. Louis Post-Dispatch*, they have the latest technology and a caring staff of industry veterans. Free consultations are available.
