

Dr. Riordan joins nation's leading dermatology group

Dr. Anne T. Riordan

Schweiger Dermatology Group, formally known as Dermatology & Cutaneous Surgery, is welcoming Dr. Anne T. Riordan to its Creve Coeur location. Dr. Riordan, a board-certified dermatologist and adjunct professor at Saint Louis University, brings over 30 years of expertise in skin cancer detection and treatment, as well as care for acne, rosacea, and psoriasis. She also specializes in cosmetic dermatology, offering advanced procedures like chemical peels, injectables, CoolSculpting and sclerotherapy.

With a dedication to compassionate care, Dr. Riordan treats patients of all ages, employing the latest techniques for managing conditions such as psoriasis and eczema.

"I have been serving the West County community's dermatologic needs since 1998," says Dr. Riordan. "It has been a wonderful experience to grow and expand with the community here in Wildwood. People have become very educated about skincare over the past 30 years, and I have been very blessed to play a part in that process."

Founded in 2010, Schweiger Dermatology Group is one of the nation's leading dermatology practices, with 110 offices and 380 healthcare providers across 8 states, including Missouri, Illinois and Minnesota. Schweiger Dermatology Group's mission is to deliver the ultimate patient experience.

The Creve Coeur location offers comprehensive services, including medical and cosmetic dermatology, skin of color dermatology, surgical treatments for skin cancer, acne treatments, and pediatric dermatology. Dr. Riordan is currently accepting new patients. To book an appointment, call (314) 664-9037.
