

Victor Shade Company

Scott and Rachel Segall, owners

Fall is almost here and there is still time to find new shades, blinds or shutters that can help save on energy costs and frame your view of autumn color with interior beauty of its own. The *Victor Shade Company* has a new showroom filled with displays of shades, shutters and blinds, and these aren't just ordinary window dressings. Many of them feature motorization and automation technology that can be controlled through "personal assistants," even when you're far from home. Non-motorized lift-systems are also always an option. Victor Shade is a Hunter Douglas Gallery dealer and features its products at competitive prices. In addition, Victor Shade offers the only full-service repair shop in the St. Louis area. Come see how beautiful and efficient your windows could be.
