

Celebrating over 31 years of quality work

Is 2024 the year you decide to upgrade the appearance of your home? If it is, then look to **Penick Construction Co.** Bill Penick, owner, has been in business in the St. Louis area for over 31 years.

If a referral is needed, just ask. Bill can provide thousands of referrals from satisfied customers in the West St. Louis County area alone. One could be your neighbor!

Eureka resident Gayle said, "This is the most professional group of people we have ever dealt with! The detail in his quality presentation and quote is continued in the execution of his precision work."

Penick Construction Co. is the exclusive dealer for the Generations line of thermal windows, doors and insulated siding, as well as being a certified installer for Certainteed shingles, Harbor insulated siding, and Newton and Windcore thermal-insulated windows. Penick Construction Co. also is proud to offer the ProVia line of steel entry and fiberglass doors. Penick Construction Co. also offers soffit, fascia, gutters, gutter covers, roofs and fiberglass and steel entry doors that are the best the industry has to offer. In addition to its highest-quality products, Penick Construction Co. offers a 10-year warranty on its expert installations.

Penick Construction Co. is an accredited member of the Better Business Bureau with an A+ rating and a member of the Eureka Chamber of Commerce. It has also been recognized by Norandex/Reynolds with the Master Craftsmen award. This award is given to those contractors who have not just met, but exceeded, their commitment to customer satisfaction.
