Celebrating 33 years of serving seniors and featuring refurbished, private rooms for those in need of therapy before returning home, **Bethesda Meadow** is a premiere choice for quality senior care in West County!

Bethesda Meadow's 14-acre campus in suburban West St. Louis County provides its residents and their guests with an opportunity to enjoy the peace and serenity of a relaxed, comforting environment.

At Bethesda Meadow, they are diligent about their commitment to keeping their residents and staff healthy and safe, and we have made the COVID-19 vaccine available to all their residents and staff.

At Bethesda Meadow, residents are cordially invited to participate in a wide variety of engaging activities and events, including Music Therapy, to enrich their lives.

Bethesda Meadow is an award-winning member of Bethesda Health Group, with experienced staff who work diligently to provide the care your loved one needs.
