

Trusted home remodelers since 1977

The Jacob Family has a motto: "Simply do what we say we are going to do." That commitment to integrity, transparency and quality is the trademark of **Jacob Family Enterprises, Inc.**, which consists of Jacob Sunrooms, Exteriors & Baths and Chesley Fence & Deck.

One promise is that custom bathroom remodels don't have to disrupt your daily life for weeks or months. The skilled team at Jacob Sunrooms, Exteriors & Baths can transform old, drab bathrooms

into beautiful, easy-to-clean sanctuaries in as little as one day. Plus, they offer more color combinations, products and remodeling expertise than other companies in the St. Louis area.

Looking to update your curb appeal? Jacob Sunrooms, Exteriors & Baths promises to make it easy with a large collection of Marvin Fiberglass Windows and Doors and Jacob Siding. Marvin products enhance your views and lifestyle, and provide energy efficiency, sophistication and security. Jacob Siding comes in a variety of colors, textures and unique characteristics to help you create the perfect look for your home.

This spring and summer have been hard on roofs. If yours needs repair or replacement, Jacob can get the job done with the addition of its patented layerlock technology to protect your home, even in high winds.

To escape St. Louis' heat and humidity while still enjoying the sunlit beauty of summer, Jacob can build you an all-season sunroom, screenroom or pergola, or install a patio cover.

Chesley Fence & Deck can complete your new look with vinyl, aluminum and cedar fencing and wood and composite decking. They have many low-maintenance options and a large selection of decorative railing and lighting options.

To explore all the possibilities offered by the Jacob Family Enterprises, visit their website or stop by their Fenton showroom Monday through Saturday.
