Saint Louis Ballet, a trusted source for dance education, offers a complete summer program for all ages and skill levels. Storybook Camps are designed for young dancers – introducing children to the basics of ballet and creative movement through storybook ballets and big-screen favorites. Ballet stories, crafts and more spark each child's joy of dancing. The Summer Intensive Program for ages 7-21 provides instruction in multiple dance genres while emphasizing ballet as the foundation for all areas of dance. The program offers four levels of instruction to ensure the perfect class fit for each dancer. Unable to attend a daytime program? Check out the Summer Evening Classes.
