## Kim Rourke, Agent, Owner

10 Strecker Road, Suite 1090 | Ellisville | 314.374.7735

Over the last nine years Kim Rourke owner of **Rourke Senior Solutions Inc.** has helped hundreds of clients from Missouri and Illinois navigate the world of Medicare coverage.

He said one of his greatest assets when it comes to meeting the needs of seniors is that he too is a senior. "In the Medicare business, the grayer my hair gets, the more I fit in," he said. "Being old is an advantage."

Rourke listens. He understands, and he does business by the golden rule.

"You treat people as you want to be treated," he said. "And as you do, you get lots of referrals; your business grows; and people stay with you."

Rourke's business has grown. He now has eight agents that can help senior clients get signed up for Medicare Advantage and Medicare supplement coverage through UnitedHealthCare, as well as help younger clients find affordable health insurance on the open market.
