There is something to be said for longevity, and Vetta Sports Summer Camps have been around for more than 30 years. Simply put – they play sports and have fun.

As part of their summer camp experience, children will discover a variety of activities, including classic sports such as soccer, basketball, tennis, inline hockey and kickball. But the fun doesn't stop there! Campers also learn innovative team-building skills, play archery tag and get creative with arts and crafts. Special guests educate and entertain kids with animals, introduce science concepts, teach athletic skills and much more. Learn more and register at vettasports.com/camp/.
