NHL ALUMNI STRONG

We all know the battle Kelly Chase has faced and in typical fashion he has fought Leukemia and is in remission. Some other alumni teammates are going through the same thing and if you read their quotes below you can see it is a team effort!

“

With great friends and the grace of God, it's not about the setback, it's about the comeback.”

- Kelly Chase

“

“With faith in God, love of family and Friends, you fight the good fight to victory!”

- Darin Kimble

“

“The fight is a daily one but with the Love and Support of Family, Friends, the Hockey world and so many others, we will never stop punching”

- Troy Murray

“

Fighting this disease is tough, but knowing I am doing it with the support of family, friends and lots of others gives me the needed strength and energy to fight the fight. Thank you, Chaser, for making our teams even bigger and stronger!”

- Tony Granato

“

God doesn't make mistakes and doesn't give anyone more than they can handle. I'm so thankful to have had so many people in my corner supporting me and brilliant doctors help get me better. Cancer doesn't discriminate as we all know but the good, I've seem come out of these hard times is a testament to the love people are capable of.”

- Brian Boyle
