

SCHRUPP SENIOR SERVICES

Randy Schrupp, Owner

226 Oak Park Village Drive • Wildwood • 314.496.0140 • randy_schrupp@msn.com

Randy Schrupp with **Schrupp Senior Services** began representing Medicare plans in late 2007; since then, he has enrolled over 900 senior clients. In an effort to provide unbiased guidance in choosing the best Medicare plan for each individual, Randy became a broker in 2014, representing multiple plans and companies. Randy also represents multiple companies for Long Term Care insurance.

Randy provides advice and counsel to clients on other issues regarding health and aging. Recently, Randy teamed up with the Senior Learning Institute, a group of local professionals, who help seniors age in place, maintain their financial stability and better navigate the stages of aging.

Most months, the Senior Learning Institute presents Educational Seminars hosted by the Cities of Chesterfield and Sunset Hills, where our local professionals will share their knowledge and experience about helping seniors obtain medical and custodial care at home; find elder law services for wills and trusts; connect with companies that provide home modifications, and handyman services; downsizing and moving; find appropriate senior care facilities; and update, list, and sell their home for more than a typical investor would offer. Contact Randy and connect to this valuable network as needs arise.
