

Accomplish your exterior home remodeling goals

There's at least one home project you've been procrastinating on. Let 2026 be the year you tackle it – and **Penick Construction Co.** will help you get it done.

Owner Bill Penick has solved homeowners' problems for over 34 years, driven by a commitment to customer satisfaction. With thousands of satisfied customers in West St. Louis County and a 10-year labor guarantee on its expert installations, your remodeling needs are in good hands with Penick Construction Co.

Its specialty is in exterior remodeling – roofs, doors, windows, siding, soffit, fascia, and gutter systems. Everything

that keeps the outside of your home looking great while the inside is warm, dry, and cozy.

Product lines include Energy Star-rated windows, doors, and insulated siding. Penick Construction Co. is certified by the Vinyl Siding Institute as an insulated siding installer, and proudly offers the ProVia line of steel entry and fiberglass doors. These stylish doors reach the highest standards of durability and energy efficiency, and custom finishes are available, from pet doors to electronic keypads.

"Our entry systems provide the best in safety and security," Bill said.

Your roofing needs are covered, too. CertainTeed Landmark Shingles has certified Penick Construction Co. as a Shingle Master.

Estimates are free and there's no pressure to sign a contract. Bill evaluates each job and presents a comprehensive, written estimate, answering any questions that come up.

A member of the Eureka Chamber of Commerce, Penick Construction Co. is also an accredited member of the Better Business Bureau with an A+ rating and has been recognized by Norandex/Reynolds with its Master Craftsmen award. This Master Craftsmen award is given to only those contractors who have exceeded Norandex/Reynolds' commitment to customer satisfaction. Call today for a free estimate.
