SPOT LIGHT

ROXANNA ARAIZA JUNIOR, GUSTINE HIGH

Roxanna has been an active FFA member at Gustine High. She showed a swine project at the Spring Fair in Los Banos and is raising rabbits for the upcoming Merced County Fair. She has also played one season of softball for the Lady Reds.

Environmental horticulture is her favorite class, Roxanna shared, because it reflects her interest in plants and the various soils and nutrients they require. She plans to major in ag business in college.

Her hobbies away from school include horseback riding, and Roxanna would like to try her hand at rodeo when she goes to West Hills Community College.

PARENTS:

Maria and Salomon Araiza

BORN IN:

Modesto
