SPOT LIGHT

DESTINY ZAMARRON JUNIOR, ORESTIMBA HIGH

Destiny is a member of P.H.A.S.T., Protecting Health And Slamming Tobacco, a Stanislaus county program for school students that provides peer education and advocacy projects to promote a healthy, tobacco-free lifestyle. "I like how you get community service," she shared. "We help with Red Ribbon Week, hosting activities."

When not at school, Destiny enjoys playing soccer with her brothers and singing. "I love to sing. I like pop music."

After high school, Destiny plans to go to BYU with the goal of becoming a physician. She hopes to eventually work as an emergency room physician someday, hopefully in the Seattle area.

PARENTS:

Luz Elena Zamarron and Ignacio Zamarron

PLACE OF BIRTH:

San Jose
