

*Thank
You...*

My sincere thanks to the Gustine Historical Society for honoring me with a lovely celebration Sunday. There are many in our community who deserve to be honored for their contributions.

I also want to thank those who gave up their Sunday afternoon activities to join us at the museum.

I appreciated the proclamations by the Mayor, our Supervisor and the School District.

Although I have lived in several other cities, it is because of all the friendly, kind and thoughtful people in our community, that I shall always be proud to call Gustine my "hometown."

Many Thanks, Lorinne Taglio McKnight
