NAYELI GUERRERO

SENIOR, GUSTINE HIGH

Nayeli is at the forefront of the Gustine High band this year as drum major.

The pressure that comes with that role is most intense at band review competitions, Nayeli said, when she has a 30-second window to complete her routine.

But that has also been a personal growth experience that took her out of her comfort zone, Nayeli said, as has her four-year involvement in band at GHS. While she played an instrument in fifth grade, Nayeli said, she was essentially starting fresh in band when arriving at Gustine High. "It has allowed me to come out of my shell," she said.

Nayeli has also been active in Renaissance, Interact, Spanish Club and Link Crew at Gustine High.

She plans to attend Fresno State to major in biology, with the goal of becoming an OB/GYN.
