SPOT LIGHT

NICHOLAS ALAMO JUNIOR, GUSTINE HIGH

A love of movies, particularly action and adventure films, led Nicholas to recently start a movie club at Gustine High. The goal of the Regal Reds Movie Club, he said, is to bring a movie in to show in the school auditorium once a month.

Nicholas is also involved in FFA, golf and basketball at Gustine High and when not playing sports enjoys rooting for other Reds' athletic teams.

After high school, he plans to enlist in the Air Force.

"I have always been fascinated with planes, so aviation was an obvious choice," he said of his career plans.
